Message from the Guest Editor

Dear Colleagues,

We are delighted to announce the upcoming Special Issue of *Risks* that will commemorate its remarkable journey over the past ten years. *Risks*, an open access publication, was founded in 2013 under the visionary leadership of Prof. Dr. Mogens Steffensen from the University of Copenhagen (Denmark). Since its inception, the journal has been dedicated to advancing the field of insurance and financial risk management, providing a platform for cutting-edge research and knowledge exchange.

This Special Issue aims to reflect on the diverse and innovative research that has shaped the field of insurance and financial risk management over the past ten years. By participating in this Special Issue, you can showcase your work to a broad audience of researchers, practitioners, and policymakers worldwide.

We look forward to your valuable contributions and joining us in celebrating a decade of the *Risks* journal.

Message from the Editor-in-Chief

Risks is published in Open Access format – research articles, reviews and other content are released on the internet immediately after acceptance. Specifically, *Risks* welcomes contributions that

- contribute with insight, outlook, understanding and overview, no matter how simple they are;
- show creativity in pedagogical tricks and techniques;
- help the transfer of theoretical research to public and private application;
- show responsibility for societal impact.

The scientific community and the general public have unlimited free access to the content as soon as it is published.

Author Benefits
