Message from the Editor-in-Chief

Technologies, provides a single focus for reporting on developments of all technologies, regardless of their application. It is our intention that *Technologies* becomes the journal of choice for both researchers wanting to publish their work and technologists wishing to exploit the high quality research across a wide range of potential applications. Through its open access policy, its quick publication cycle, *Technologies* will facilitate the rapid uptake and development of the research presented, ultimately providing benefit to the wider society.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High visibility: indexed in Inspec (IET) and in the Emerging Sources Citation Index (ESCI - Web of Science) from Vol. 3.

Rapid publication: manuscripts are peer-reviewed and a first decision provided to authors approximately 18.5 days after submission; acceptance to publication is undertaken in 5 days (median values for papers published in this journal in 2017).
