

vaccines

Dear Colleagues,

We are pleased to announce that the **2019 Vaccines Travel Awards**, for PhD students and postdoctoral fellows, are now open for application. The awards will support young researchers to attend an academic/scientific conference of their choice in 2019. The nominations and applications will be reviewed by the Evaluation Committee comprised of *Vaccines* Editorial Board Members.

2019 TRAVEL AWARDS

FOR PHD STUDENTS AND POSTDOCTORAL FELLOWS

Travel Award:

- Four awardees, each will receive **500 CHF (Swiss Francs)**.

Eligibility Criteria:

- Postdoctoral fellows or PhD students involved in vaccine-related study, from basic and molecular sciences through clinical, epidemiological, and relevant social sciences.
- Presenting an oral presentation or a poster at the chosen conference (in 2019).

Application Process and Selection Criteria:

Please submit:

- 1. A recent curriculum vitae, including educational and professional experience, a complete list of publications, and a brief statement justifying financial need and listing funds available from other sources.
- 2. A brief description of the applicant's current research.
- 3. Details of the conference the applicant plans to attend and a copy of the abstract submitted for either oral or poster presentation.
- 4. A letter of recommendation from the supervisor/research director or department head which confirms the applicant's status as a post-doctoral fellow or a PhD student.

Application Deadline: Please apply via (<http://www.mdpi.com/journal/vaccines/awards>) before **15 January 2019**. The winners will be announced by the end of March 2019.
