

Women in Organic Chemistry

Guest Editor:

Message from the Guest Editor

Dear Colleagues,

Deadline for manuscript
submissions:
closed (8 March 2017)

International Women's Day will be celebrated on 8 March 2017. To mark this important milestone, our journal, *Molecules*, will launch a Special Issue on "Women in Organic Chemistry" to be published in *Molecules* (ISSN 1420-3049, <http://www.mdpi.com/journal/molecules>) in 2017. This Special Issue will include high quality papers and review articles in all areas of chemistry. We encourage all research groups (led by men or women) to contribute original research papers or an up-to-date, comprehensive review, highlighting recent developments in any area of chemistry.

Message from the Editor-in-Chief

As the premier open access journal dedicated to experimental organic chemistry, and now in its 25th year of publication, the papers published in *Molecules* span from classical synthetic methodology to natural product isolation and characterization, as well as physicochemical studies and the applications of these molecules as pharmaceuticals, catalysts and novel materials. Pushing the boundaries of the discipline, we invite papers on multidisciplinary topics bridging biochemistry, biophysics and materials science, as well as timely reviews and topical issues on cutting edge fields in all these areas.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High Visibility: indexed within [Scopus](#), [SCIE \(Web of Science\)](#), [PubMed](#), [MEDLINE](#), [PMC](#), [Reaxys](#), [CaPlus / SciFinder](#), [MarinLit](#), [AGRIS](#), and [other databases](#).

Journal Rank: JCR - Q2 (*Chemistry, Multidisciplinary*) / CiteScore - Q1 (*Chemistry (miscellaneous)*)
