Deadline for manuscript
submissions:

30 September 2024

Message from the Guest Editors

For this special issue, we hope authors can contribute research articles or reviews in the following research fields:

- Environmental impacts of ship recycling;
- Hazardous material and waste management ;
- Circular economy and resource efficiency strategies (e.g., reuse, remanufacture) in the maritime industry;
- Facility design and process optimization;
- Net-zero ship recycling approaches;
- Occupational health and safety in ship recycling;
- Risk and safety quantification in ship recycling;
- Technological approaches and best practices in ship recycling yards;
- Policy, governance, and legal frameworks for sustainable ship recycling;
- Economic viability and market perspectives in ship recycling;
- Sustainable ship design and end-of-life considerations;
- Socioeconomics, labour rights; and well-being;
- Case studies on the successful implementation of sustainable ship recycling practices;
- Stakeholder engagement and public awareness.

Any questions, please ask Mark Huang

Applied Science, University of
Ontario Institute of Technology,
Oshawa, ON L1G 0C5, Canada

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High Visibility: indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [GeoRef](#), [Inspec](#), [AGRIS](#), [RePEc](#), [CAPlus / SciFinder](#), and [other databases](#).

Journal Rank: JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (*Geography, Planning and Development*)
