

Supplementary Information

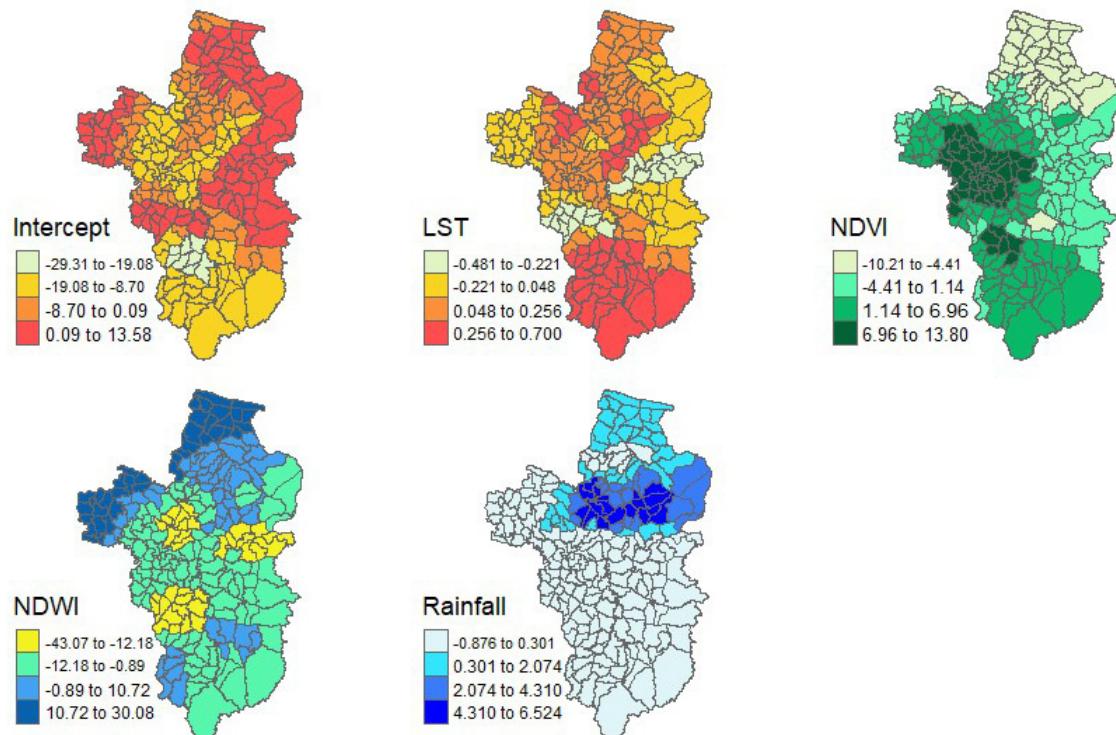

Figure S1. The spatial variation of the coefficients of GWPR model in January.

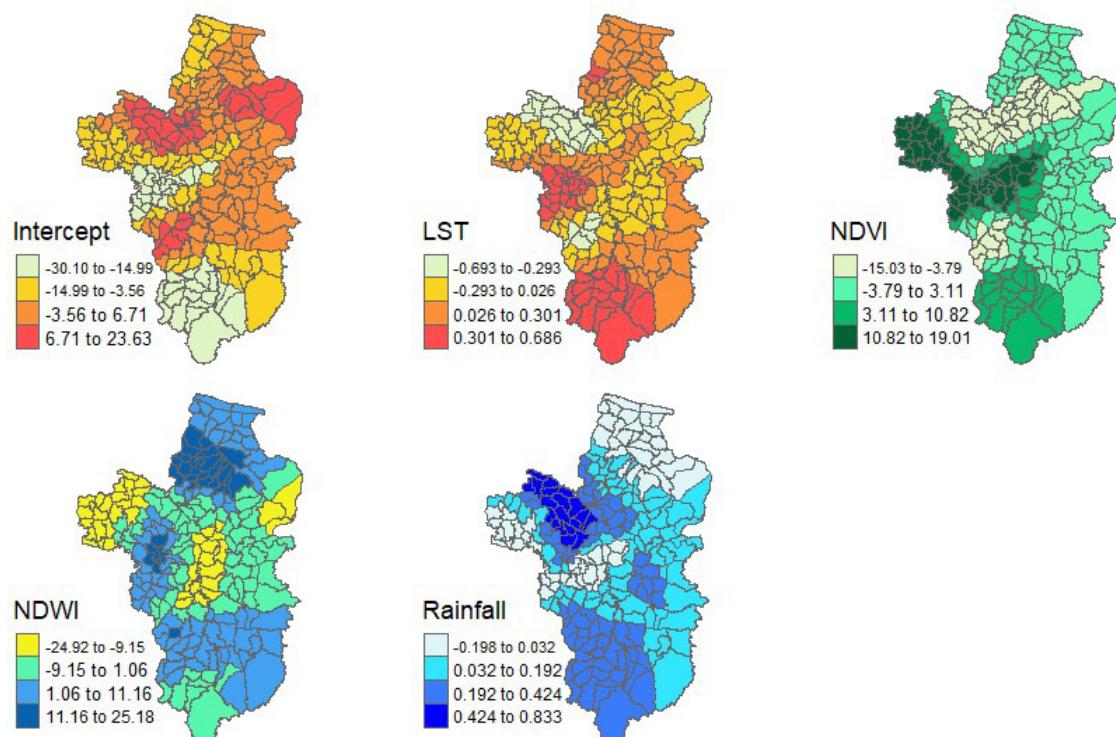

Figure S2. The spatial variation of the coefficients of GWPR model in February.

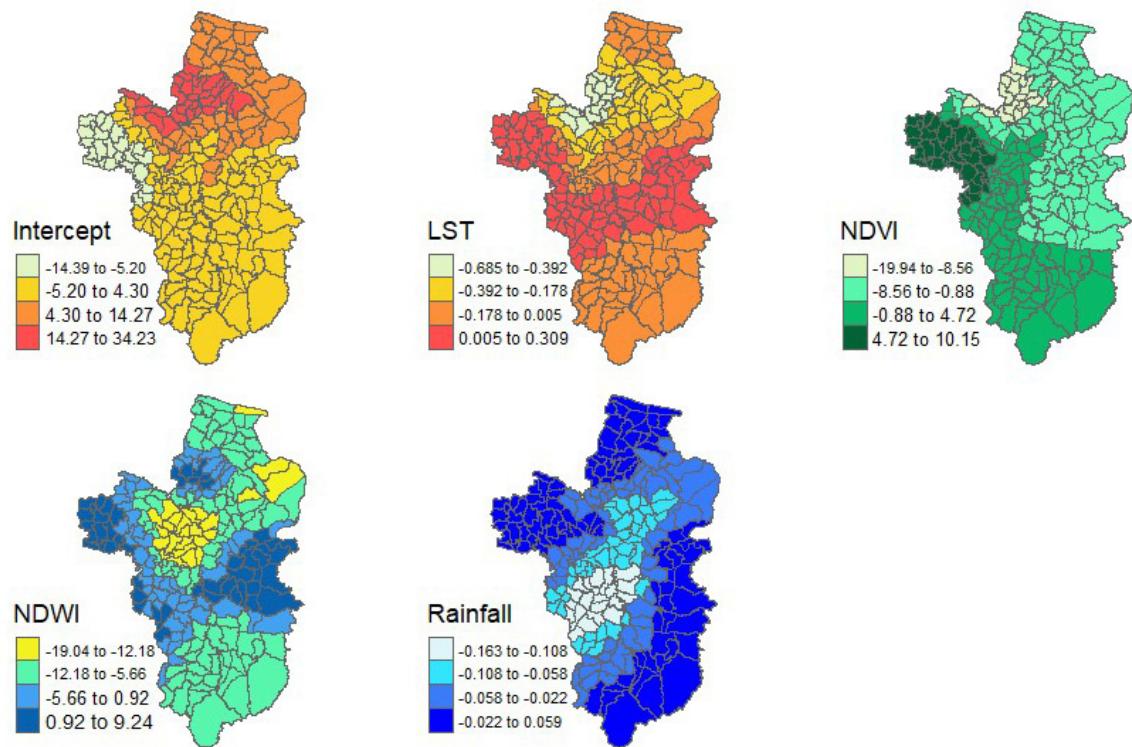

Figure S3. The spatial variation of the coefficients of GWPR model in March.

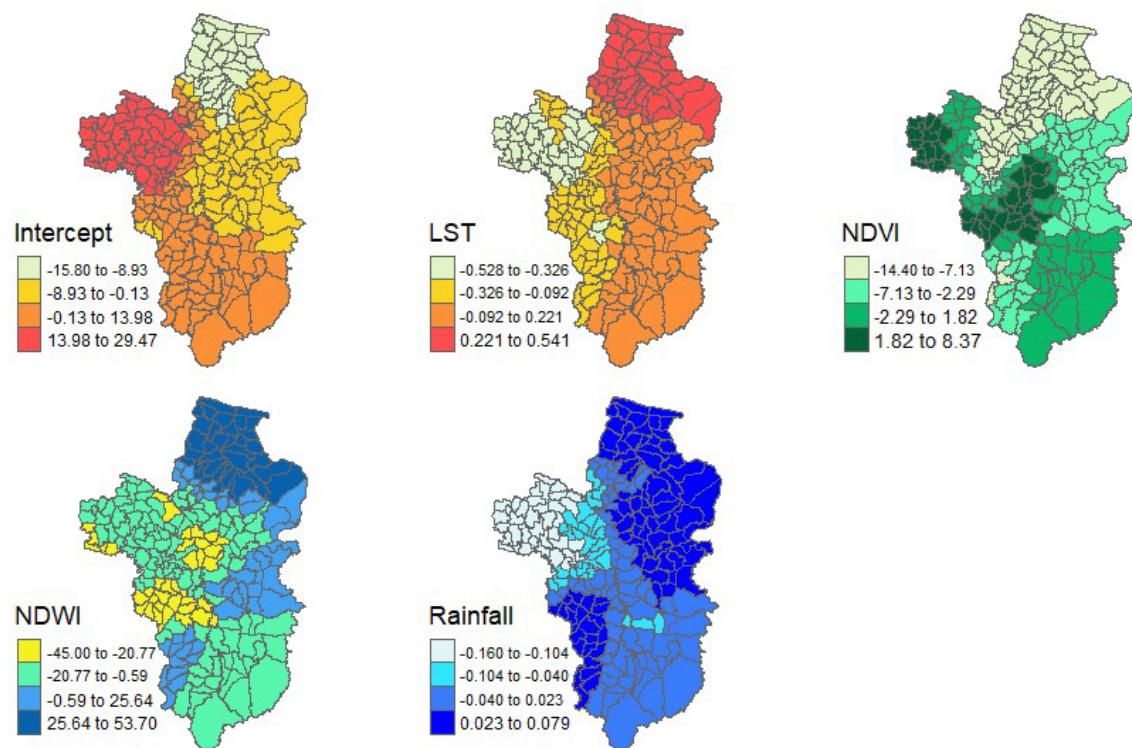

Figure S4. The spatial variation of the coefficients of GWPR model in April.

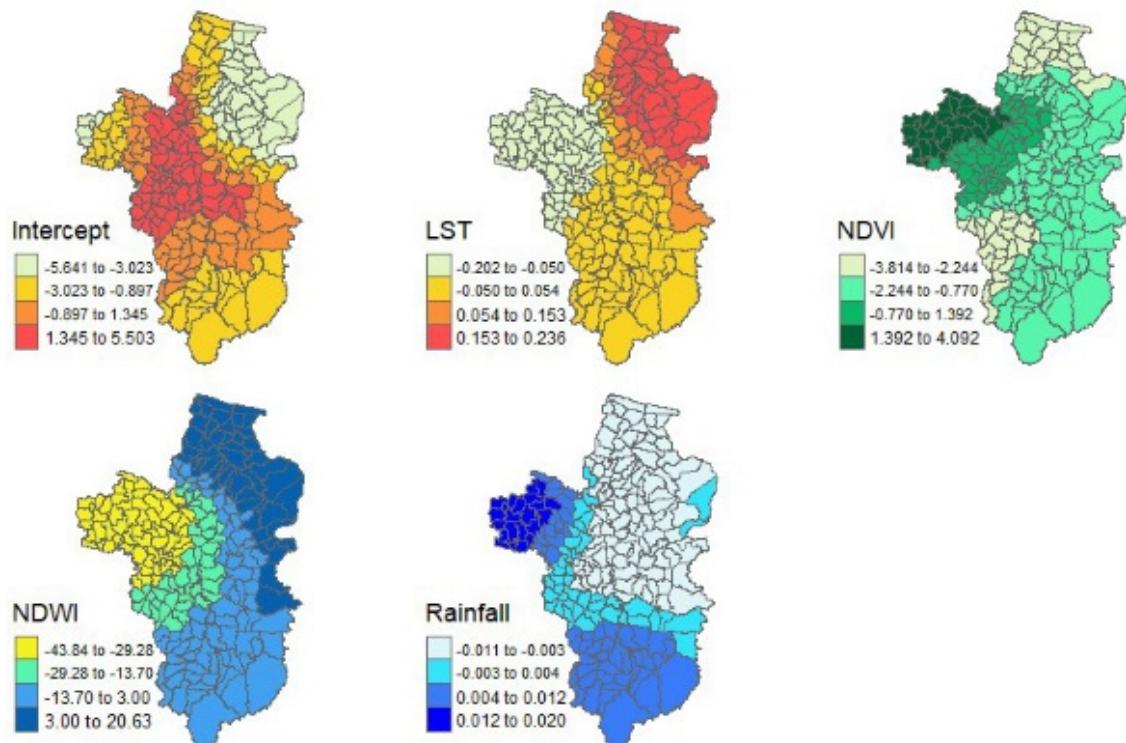

Figure S5. The spatial variation of the coefficients of GWPR model in May.

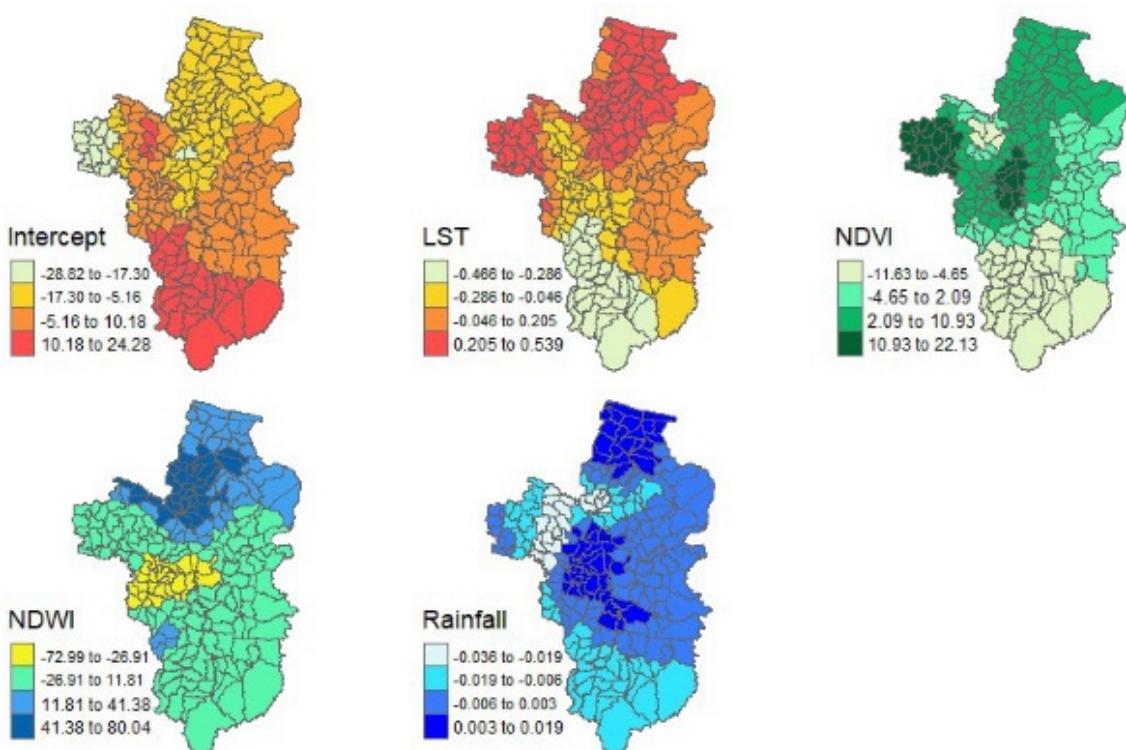

Figure S6. The spatial variation of the coefficients of GWPR model in June.

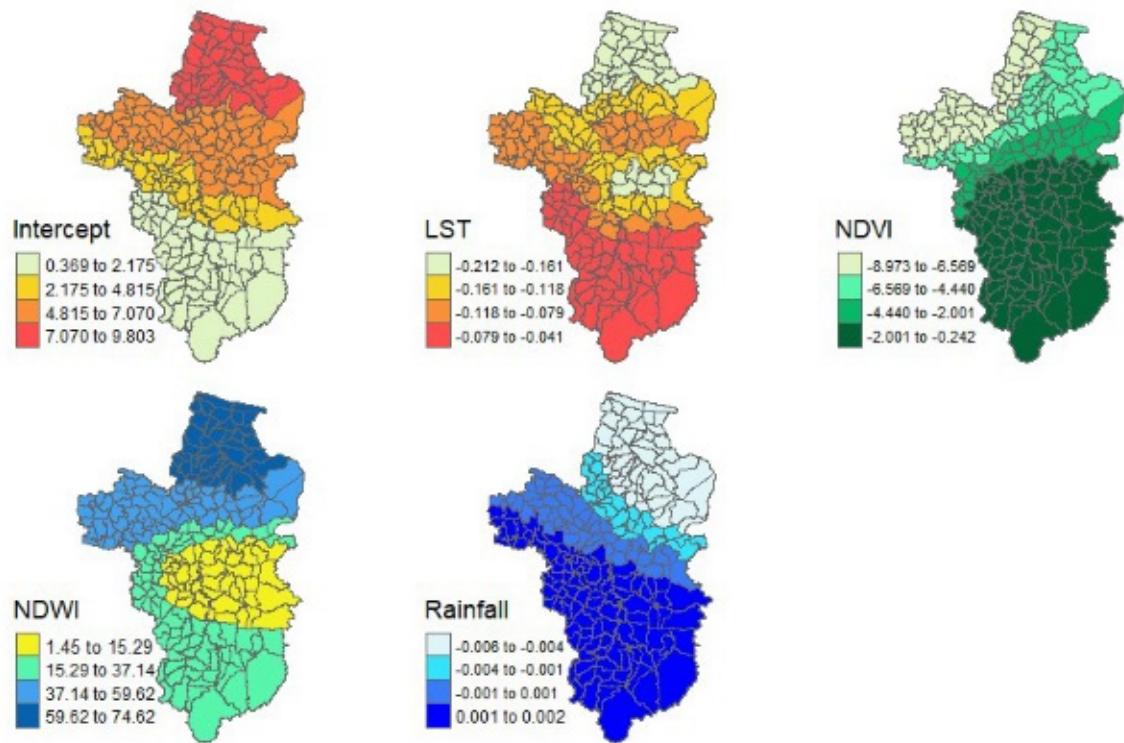

Figure S7. The spatial variation of the coefficients of GWPR model in July.

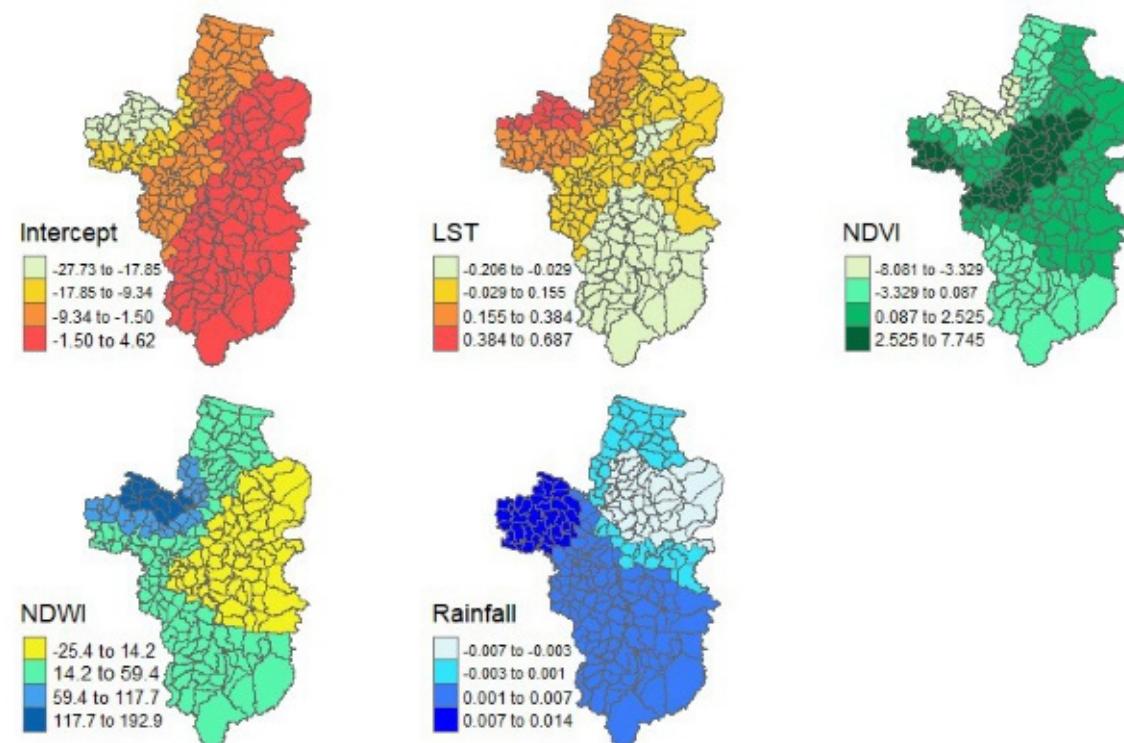

Figure S8. The spatial variation of the coefficients of GWPR model in August.

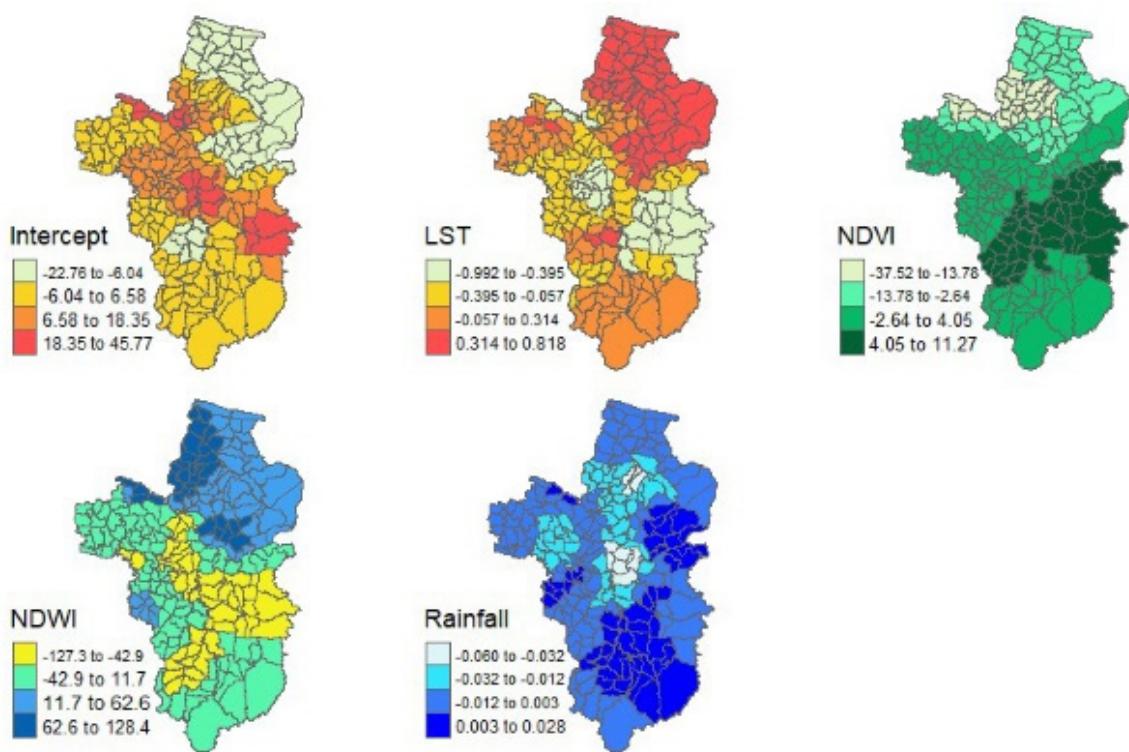

Figure S9. The spatial variation of the coefficients of GWPR model in September.

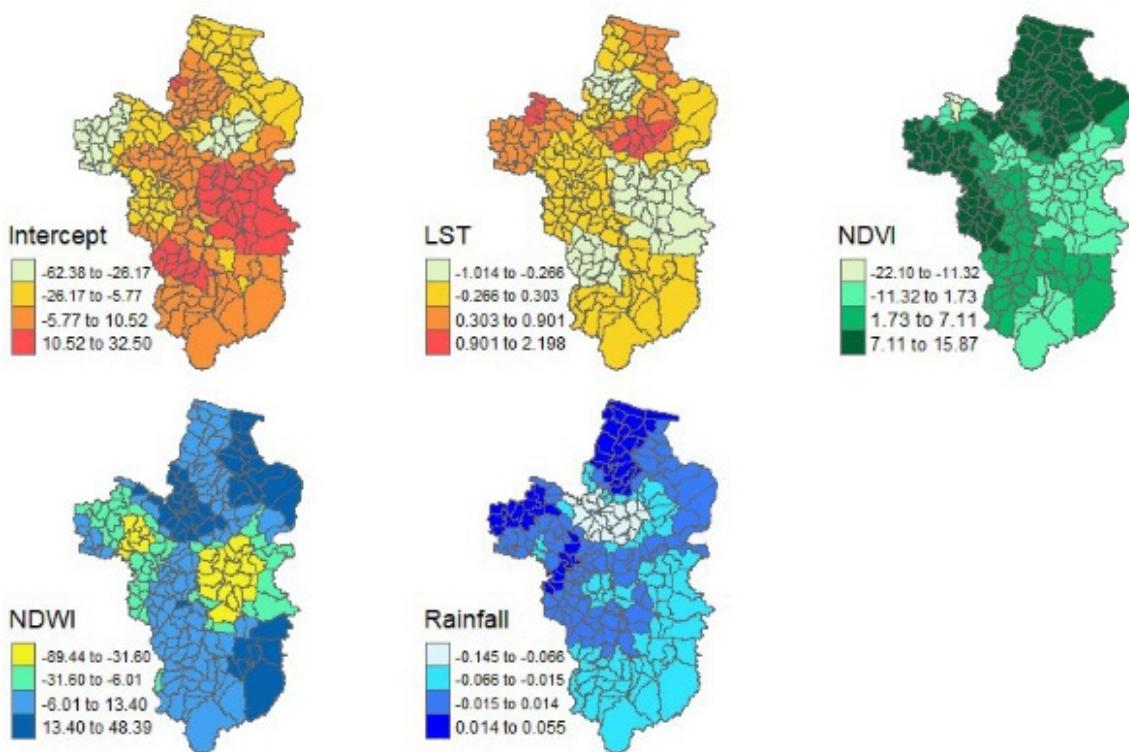

Figure S10. The spatial variation of the coefficients of GWPR model in October.

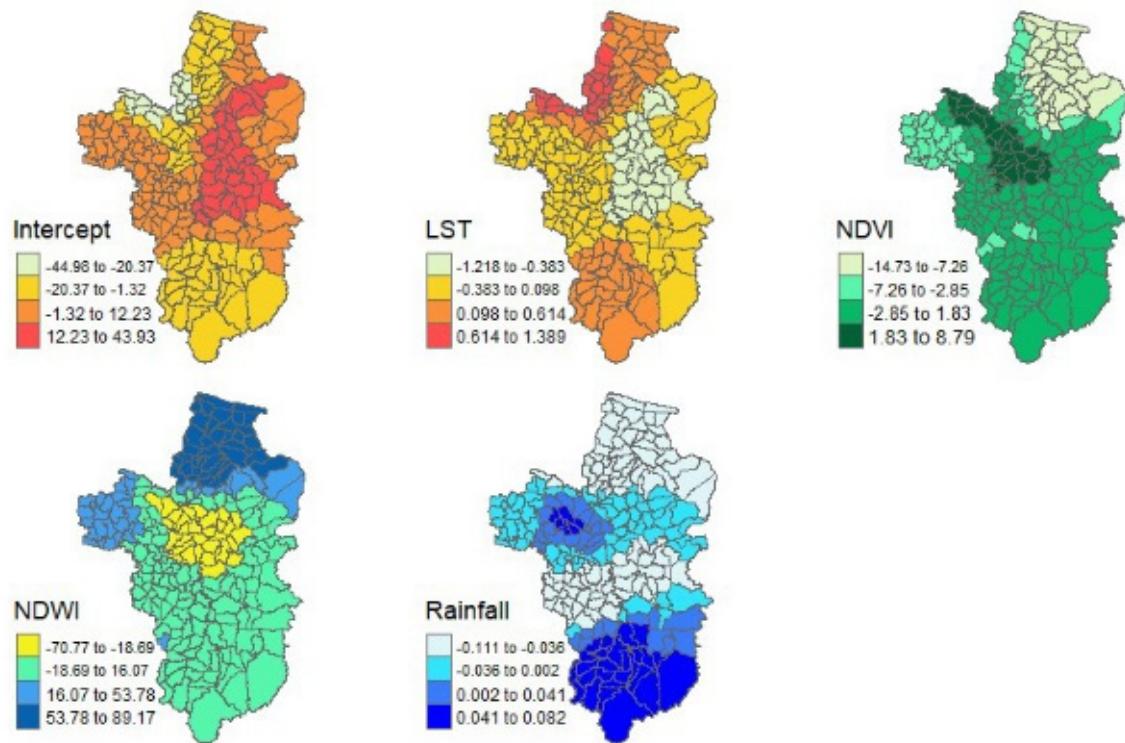

Figure S11. The spatial variation of the coefficients of GWPR model in November.

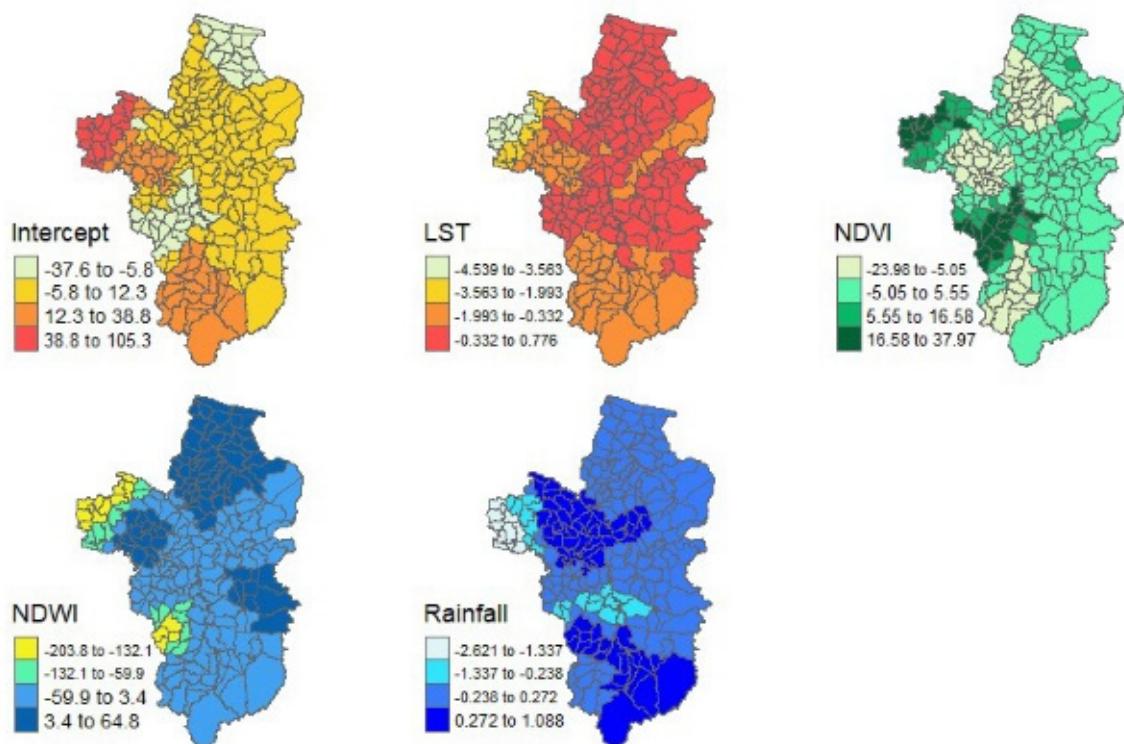

Figure S12. The spatial variation of the coefficients of GWPR model in December.

Table S1. Results of parameter estimates in the GPR and GWPR per Month.

Variable	GPR					GWPR
