Acknowledgement to Reviewers of *Entropy* in 2017

Entropy Editorial Office

MDPI AG, St. Alban-Anlage 66, 4052 Basel, Switzerland

Published: 15 January 2018

Peer review is an essential part in the publication process, ensuring that Entropy maintains high quality standards for its published papers. In 2017, a total of 684 papers were published in the journal. Thanks to the cooperation of our reviewers, the median time to first decision was 26.98 days and the median time to publication was 53.5 days. The editors would like to express their sincere gratitude to the following reviewers for their time and dedication in 2017:
