The authors wish to make the following corrections to the paper [1]: During the final preparation of the manuscript, the family name of the first author was omitted; also, the affiliation and the e-mail of the first author were not correctly input. We would thus like to make following changes to the paper [1], as follows:

### Thi Tuong Vy Phan <sup>1</sup>

- <sup>1</sup> Center for Advanced Chemistry, Institute of Research and Development, Duy Tan University, 03 Quang Trung, Hai Chau, Danang 550000, Vietnam; phanttuongvy4@duytan.edu.vn

We apologize for this unintentional mistake, which, however, does not affect the results of this manuscript and the conclusions drawn from them.
