

Supplementary Materials

Carrageenan of Red Algae *Eucheuma gelatinae*: Extraction, Antioxidant Activity, Rheology Characteristics, and Physicochemistry Characterization

Hoang Thai Ha ¹, Dang Xuan Cuong ^{1,2,3,*}, Le Huong Thuy ^{4,*}, Pham Thanh Thuan ⁵, Dang Thi Thanh Tuyen ⁶,
Vu Thi Mo ^{2,3} and Dinh Huu Dong ¹

¹ Department of Food Technology, Ho Chi Minh City University of Food Industry, 700000 Ho Chi Minh, Vietnam

² Department of Biology, Graduate University of Science and Technology, VAST, 100000 Ha Noi, Vietnam

³ Department of organic material from marine resource, Nha Trang Institute of Technology Research and Application, VAST, 650000 Khanh Hoa, Vietnam

⁴ Institute of Biotechnology and Food Technology, Industrial University of Ho Chi Minh City, 700000 Ho Chi Minh, Vietnam

⁵ General Surgery Department, Ninh Thuan Provincial General Hospital, 59000 Ninh Thuan, Vietnam

⁶ Department of Food Science, Nha Trang University, 650000 Khanh Hoa, Vietnam
