

Nrf2 Inhibits Periodontal Ligament Stem Cell Apoptosis under Excessive Oxidative Stress

Yanli Liu, Hongxu Yang, Yi Wen, Bingyi Li, Yinhua Zhao, Jing Xing, Min Zhang and Yongjin Chen

Figure S1. Nrf2 positive and negative control Western blot. (A) The positive control of Nrf2 expression assayed by western blot in liver tissue and PDLSCs; (B) The negative control of Nrf2 expression assayed by western blot without secondary antibody in liver tissue and PDLSCs.
