Editorial

Acknowledgement to Reviewers of the *International Journal of Molecular Sciences* in 2017

International Journal of Molecular Sciences Editorial Office

MDPI AG, St. Alban-Anlage 66, 4052 Basel, Switzerland

Published: 19 January 2018

Peer review is an essential part in the publication process, ensuring that the *International Journal of Molecular Sciences* maintains high quality standards for its published papers. In 2017, a total of 2778 papers were published in the journal. Thanks to the cooperation of our reviewers, the median time to first decision was 20 days and the median time to publication was 43 days. The editors would like to express their sincere gratitude to the following reviewers for their time and dedication in 2017:

Abbott, Karen L.	Lopes, Susana
