## Error in Scheme

In the original publication [1], there was a mistake in Scheme 3 as published. In current version of Scheme 3, an i-propyl is missing. The corrected Scheme 3 appears below.

## Text Correction

A correction has been made to Section 2, Paragraph 3. The corrected text is “which can be easily obtained free from the (*R,S*)-counterpart”.

The authors state that the scientific conclusions are unaffected. This correction was approved by the academic editor. The original publication has also been updated.
