In the following questions, please rate how well using the glasses worked for you.

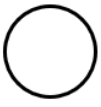

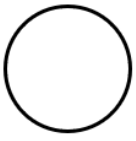

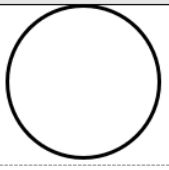

I think I would like to use the glasses frequently.				
				
I think that this is **not true at all**.	I think that this is **rather not** true.	**Neither**. I cannot decide.	I think that this is **rather** true.	I think that this is **totally** true.

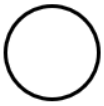

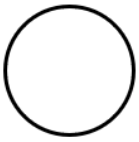

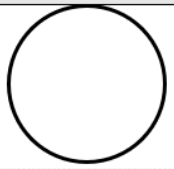

I found the glasses to be more complicated than necessary.				
				
I think that this is **not true at all**.	I think that this is **rather not** true.	**Neither.** I cannot decide.	I think that this is **rather** true.	I think that this is **totally** true.

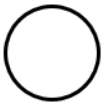

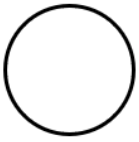

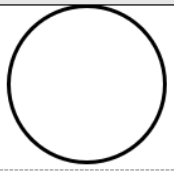

I think the glasses are easy to use.				
				
I think that this is **not true at all**.	I think that this is **rather not** true.	**Neither.** I cannot decide.	I think that this is **rather** true.	I think that this is **totally** true.

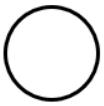

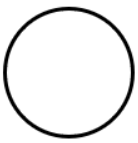

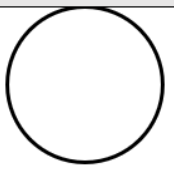

I think I would need the help of an adult to use the glasses.				
				
I think that this is **not true at all**.	I think that this is **rather not** true.	**Neither.** I cannot decide.	I think that this is **rather** true.	I think that this is **totally** true.

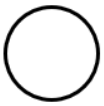

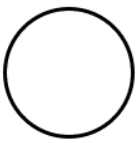

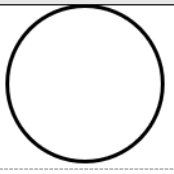

I think the different features of the glasses worked well together.				
				
I think that this is **not true at all**.	I think that this is **rather not** true.	**Neither.** I cannot decide.	I think that this is **rather** true.	I think that this is **totally** true.

I think there are too many things that do not go together when using the glasses.				
				
I think that this is **not true at all**.	I think that this is **rather not** true.	**Neither.** I cannot decide.	I think that this is **rather** true.	I think that this is **totally** true.

I think that most children would learn to use the glasses very quickly.				
				
I think that this is **not true at all**.	I think that this is **rather not** true.	**Neither.** I cannot decide.	I think that this is **rather** true.	I think that this is **totally** true.

I found the glasses to be very difficult to use.				
				
I think that this is **not true at all**.	I think that this is **rather not** true.	**Neither.** I cannot decide.	I think that this is **rather** true.	I think that this is **totally** true.

I knew exactly how to use the glasses.				
				
I think that this is **not true at all**.	I think that this is **rather not** true.	**Neither.** I cannot decide.	I think that this is **rather** true.	I think that this is **totally** true.

I had to learn a lot of things before I was able to start using the application on the glasses.				
				
I think that this is **not true at all**.	I think that this is **rather not** true.	**Neither.** I cannot decide.	I think that this is **rather** true.	I think that this is **totally** true.
