

Supplementary Figures

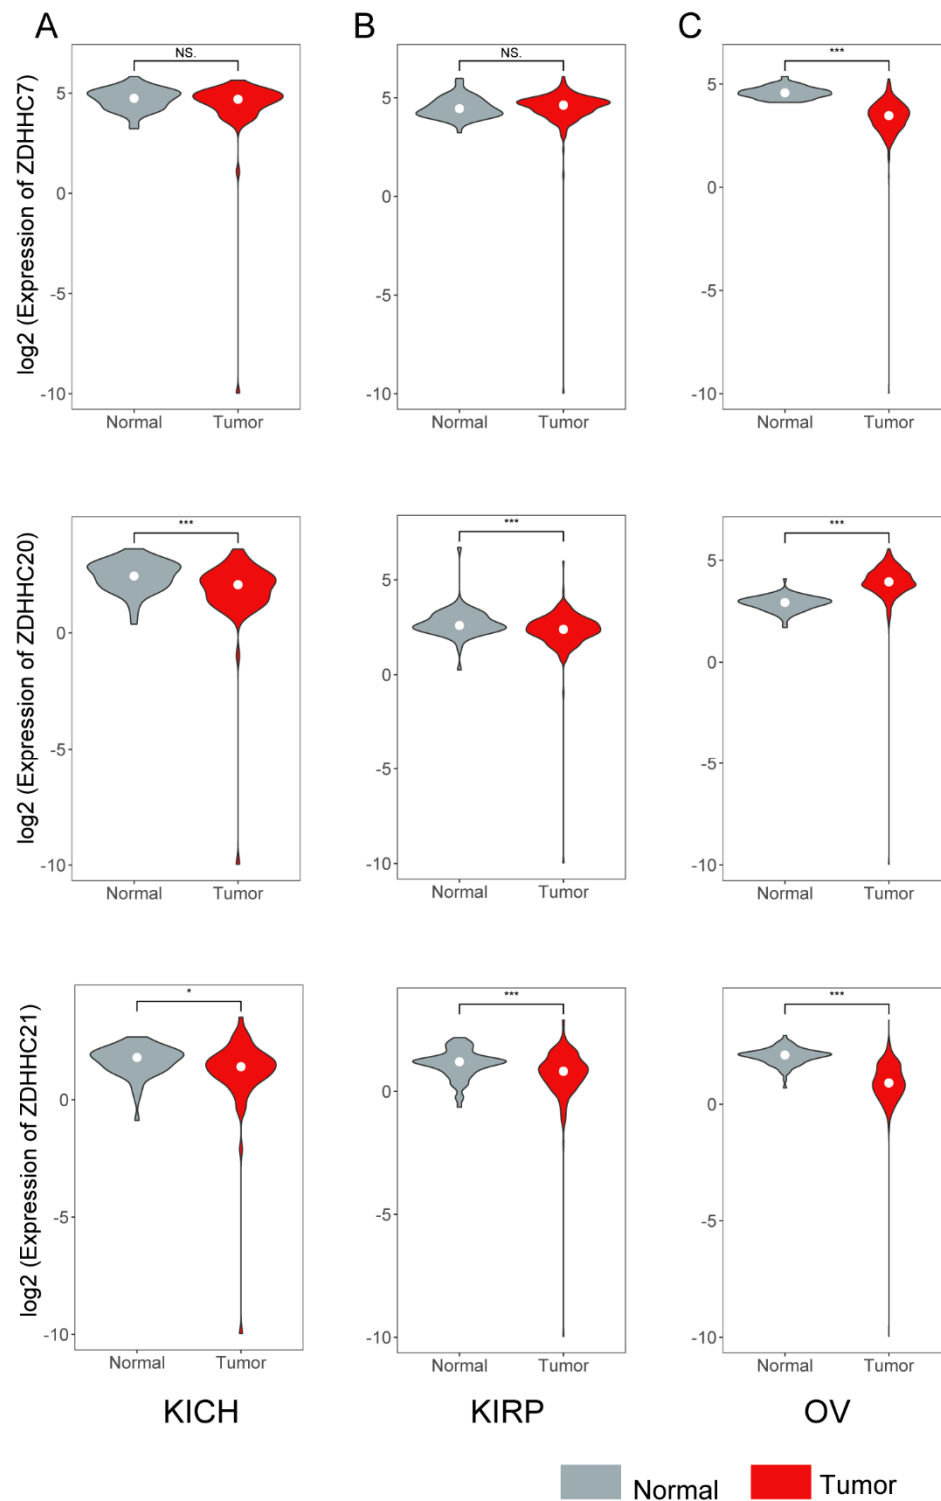

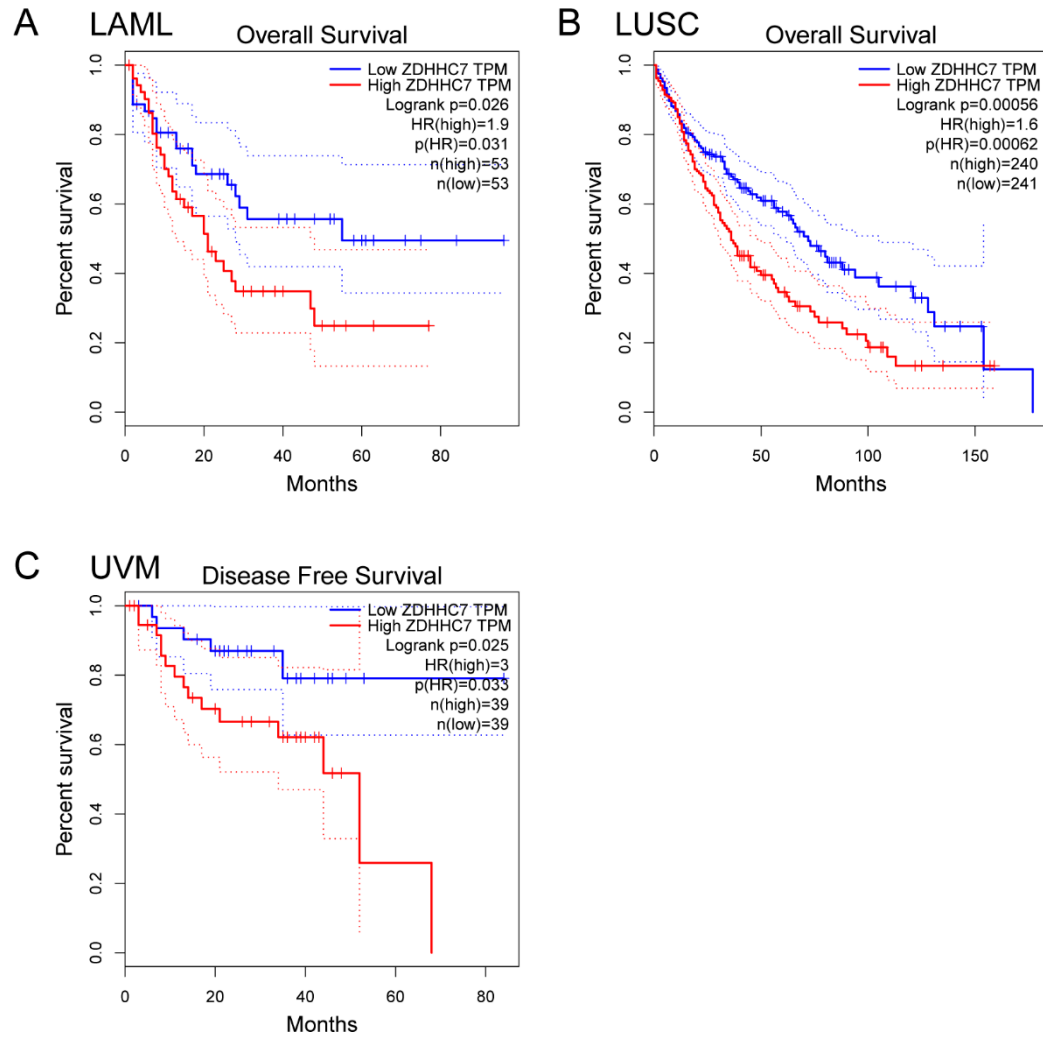

Figure S1. Expressions of ZDHHC7/20/21 across cancer types. * indicates $p < 0.05$. ** indicates $p < 0.01$. *** indicates $p < 0.001$. "NS." represents no significant. A white dot represents "median" value.

Supplementary Figure S2. Kaplan-Meier analysis of cancer patients in the ZDHHC7 high expression and low expression groups.
