Re: Letter of confirmation.

To whom it may concern.

Dear Sir/Madam,

Through my capacity as native English speaker and senior lecturer of English composition and technical writing courses based at Keilir Institute of Technology (validated by the University of Iceland), I hereby confirm that I have read through the latest version of the manuscript entitled "Polycyclic Guanidine Alkaloids from Poecilosclerida Marine Sponges" (updated on the 25/03/2016).

To the best of my knowledge, I found that the written English, grammar and style contained within this document to be of a satisfactory level for which it is intended.

Yours faithfully,

Daniel Coaten
Assistant Professor
