The authors wish to update the Acknowledgments Section in their paper published in the *International Journal of Environmental Research and Public Health* [1], doi:10.3390/ijerph110909897, website: <http://www.mdpi.com/1660-4601/11/9/9897>.

Acknowledgments: This work was supported by Fundación para la Investigación y la Prevención del SIDA en España [FIPSE 360745/09 and 360982/10]; Fundació Cellex, Fondo de Investigación Sanitaria [FIS 12/01199, PI13/01738 and PI13/01455]; Suports a Grups de Recerca de la Generalitat de Catalunya [SGR 2014/376] and CIBER de Enfermedades Raras (CIBERER, an initiative of ISCIII). We also wish to thank the valuable help of our laboratory and clinical staff (Ester Tobias, Marc Catalan, Ester Lozano, Francesc Cardellach and Josep Maria Grau), and Donna Pringle for language assistance. Besides the aforementioned acknowledgments for funding our work, this study has been granted by Instituto de Salud Carlos III through the project “PI12/01199” (Co-funded by the European Regional Development Fund (ERDF) “a way to build Europe”).

Conflicts of Interest: The authors declare no conflict of interest.
