

AppendixB_FEGS_Combinations_Counts.xlsx

This excel file contains counts of the number of management plans flagged as matching key words to the given subclasses in each row.

Beneficiary_SubClass	Subclass of Beneficiaries from the FEGS Classification System
Ecosystem_SubClass	Subclass of Ecosystems from the FEGS Classification System
FEGS_SubClass	Subclass of FEGS types from the FEGS Classification System
NEP_Count	Number of NEP management plans (out of 28) with atleast one sentence flagged as containing synonym keywords associated with that combination of subclasses
NERR_Count	Number of NERR management plans (out of 29) with atleast one sentence flagged as containing synonym keywords associated with that combination of subclasses
