

The Sexual Satisfaction Questionnaire

by Mieczyslaw Plopa

The questionnaire consists of 10 statements concerning intimate relationships taking place in a close relationship (marriage, partnership) of two people. Please, rate the level of satisfaction that you get with each of the given activities. Please, answer honestly to each of the statements, choosing from five options (**circle the appropriate letter**). Please tick "Does not appear" (**cross**) at those activities that you do not experience in your current relationship (marriage or partnership). Please, remember, to choose the answer which, in your opinion, is consistent with the actual state of your relationship.
