Table S1: An overview of the questionnaire.

Construct	Instrument	Questionnaire version	Modified or original	Type of modification	Existing or new Arabic translation
Use of medicine	DEGS	Adults (DEGS)	Modified	Removed a question	No
	KIGGS	Children and		(about contraceptive	
		adolescent		pill intake) *	
		(KiGGS)		Added specifications	
				and changed the order	
Adherence to	Brief	Adults	Original	_	No
medication for	Medication				
chronic diseases	Questionnaire				
Barriers to	Self-constructed	Adults and	Modified	Added options	_
accessing		parents		Simplification	
medicine					
(factors)					
Acceptance of	Self-	Adults	Modified	Simplification	_
taking medicine	Constructed				
that contains					
alcohol or pork					
products					
Socioeconomic	DEGS, KIGGS,	Adults, children,	Modified	Options for some	
and	REFMED	and adolescents		questions added.	Yes
sociodemograph				A question was	
ic factors				removed.	
				Options reduced	

^{*} Participants suggested removing a question directed to female participants concerning whether they took contraceptive pills. This question could be viewed as inappropriate and can result in scepticism and an interruption of the survey process.

Supplementary File 1: Questions from the part of the questionnaire that focuses on barriers to accessing medicines among Syrian asylum seekers and refugees.

	Based -	on your ex	perience,	how much	do these	factors	limit your	access to	medicine in	Germany'
--	---------	------------	-----------	----------	----------	---------	------------	-----------	-------------	----------

	No effect at all	2	3	4	5	6	Very large effect
Language barriers	0	0	0	0	0	\circ	0
Finding the medicine I need in the pharmacies	0	\circ	0	0	\circ	\circ	0
I need to pay for the medicine	0	\circ	\circ	\circ	\circ	\circ	\circ
The medicine I need is a prescription medicine	0	0	0	0	\circ	0	0

Before taking any medicine, do you check whether it contains any alcohol or pork products?

	No, never	2	3	4	5	6	Yes, every time
Alcohol	0	\circ	\circ	\circ	\circ	\circ	\circ
Pork products	0	\circ	\bigcirc	\bigcirc	\bigcirc	\circ	\circ

Would you take a medicine that contains any alcohol or pork products?

	No, never	2	3	4	5	6	Yes, definitely
Alcohol	0	0	\circ	\circ	\circ	\circ	0
Pork products	0	\circ	\circ	\circ	\circ	\circ	\circ

If the medicine I need wou	ıld contain alcohol or po	rk products and there	were no alternative to it,	I
will take this medicine:				

	Strongly disagree	2	3	4	5	6	Strongly agree
Alcohol	0	\circ	\bigcirc	\circ	\circ	\circ	\circ
Pork products	0	\circ	\circ	\circ	\circ	\circ	\circ
