

**Survey on lockdown in South Tyrol (February 2021)**  
**"Reconciliation of family and work" for families with children under 18 years of age**

This survey is addressed to families in which both parents are working or to working single parents in South Tyrol who have to take over the education and care of their children at home due to the closure of kindergartens, schools and nurseries.

**What strategies have you found as a family to balance child care/education and work during lockdown? Please provide ALL the answers that apply to your situation:**

A I take turns with my partner or other household members.

B My child/children can make use of the emergency care.

C The closure of the facilities is bridged with paid leave.

D Relatives and/or friends help to bridge the closures.

E Closure is bridged with unpaid/low-paid parental leave or another form of unpaid leave.

F The child/children are taken to work.

E The child/children are present in the home office.

H Work is done at night and/or early in the morning.

I The child/children are alone.

J No satisfactory solution has been found.

K Other (please specify in the comment field).

**If you rely on the help of relatives and/or friends to bridge the situation: Who are they? More than one answer possible.**
