Figure Correction

The authors have noticed an inadvertent error in our article, "Patterns of Multimorbidity in Adults: An Association Rules Analysis Using the Korea Health Panel" [1].

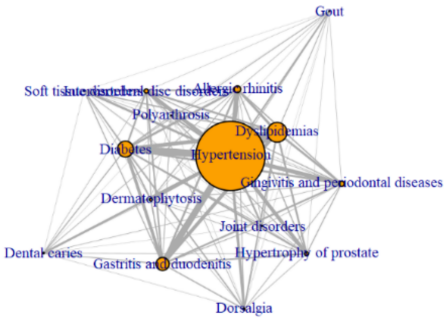

The published Figure 2b is a result of a network analysis regarding men, but it should be changed to one regarding women. We have attached a corrected version of Figure 2. This error does not change the scientific conclusion of the article in any way.

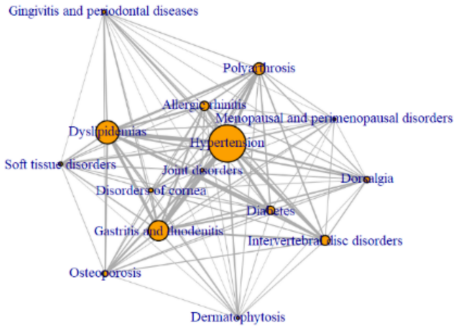

(**a**) Men

(**b**) Women

(**c**) Men aged under 65

(**d**) Women aged under 65

Figure 2. *Cont.*
