-

³ The post-disaster reconstruction period is including both the later period of earthquake relief and the reconstruction period after the earthquake relief. At this time, the disaster is properly resolved, people's lives return to normal, material production is restored, social panic is quelled, and the whole society returns to the state before the disaster.

Q6 What channels did you use to acquire information in the following four periods?

in daily life	in emergent period	in earthquake relief period	in post-disaster reconstruction period
1. TV reports;	2. radio broadcasts;	3. newspapers and magazines;	4. the internet;
5. mobile phone text messages;	6. interpersonal communication;	7. none;	8. Other

Part III. Survey on the socioeconomic and housing characteristics.

Q9 What is your gender, please? 1☐Male 2☐Female

Q10 What is your age, please ()?

Q11 What is your educational level, please?

1☐ elementary school education or lower

2☐ junior high school

3☐ senior high school or special school (including professional high school)

4☐ junior college

5☐ undergraduate

6☐ master degree or higher

Q12 What is your occupation, please?

1☐ workers / business service workers

2☐ enterprise leaders or managers

3☐ cadres of public institutions

4☐ farmers or migrant workers

5☐ general Staff/Clerk/Secretary

6☐ public security organs/Military

7☐ private or Individual Workers

8☐ student

9☐ professional technicians/ teachers/doctors

10☐ retired personnel

11☐ other

Q13 What is your family's annual income (after tax), please?

1 <input type="checkbox"/> CNY 0–20,000	2 <input type="checkbox"/> CNY 20,000–50,000	3 <input type="checkbox"/> CNY 50,000–100,000
4 <input type="checkbox"/> CNY 100,000–150,000	5 <input type="checkbox"/> CNY 150,000–200,000	6 <input type="checkbox"/> Over CNY 200,000

Q14 What is the type of your house? 1☐ Purchased by myself; 2☐ Rent; 3☐ Other

Q15 What is the structure of your house?

1 <input type="checkbox"/> Wood or simple structures	2 <input type="checkbox"/> masonry-concrete structures
3 <input type="checkbox"/> reinforced-concrete structures	4 <input type="checkbox"/> Other

Q16 What is the type of your house?

1 <input type="checkbox"/> bungalows	2 <input type="checkbox"/> two-storey buildings	3 <input type="checkbox"/> villa
4 <input type="checkbox"/> multi-storey buildings	5 <input type="checkbox"/> high-rise buildings
