2. How helpful has the resource been for learning this subject? *Required*  
Very Helpful  
Helpful  
Unhelpful  
Very unhelpful
3. What was your main reason for using this resource? *Required*
4. Were you using this RLO to learn/support learning as a: *Required*  
HE student  
School student  
Tutor/Teacher/Lecturer

- Healthcare professional  
Patient/Service-user/Carer  
Other
5. How did you find out about this resource? *Required*  
It was a course learning resource  
Recommended by a colleague/peer  
Through HELM-Open  
Through Open Educational Resource (OER) catalogues  
General internet search  
Other
6. Did you experience any of these problems in using this resource?  
No problems experienced  
Technical (please specify)  
Level of difficulty/study (please specify)  
Language (please specify)  
Contextual/cultural differences (please specify)  
Other  
*b. Please specify problem/s experienced:*
7. Would you recommend it to others? *Required*  
Yes  
No
8. What did you most like about this resource? *Required*
9. What did you least like about this resource? *Required*
10. In order to help us track the use of this resource, please let us know which institution or organisation you are from. *Required*

**If you would be willing to give more feedback on this resource, please fill in your details below:**

The University processes your personal data in order to inform our research on the reuse of open educational resources in healthcare education. The legal basis for this processing is Article 6(1e) of the General Data Protection Regulations "processing is necessary for the performance of a task carried out in the public interest".

Details such as how to contact the University's Data Protection Officer and your rights as a data subject can be found at <https://www.nottingham.ac.uk/utilities/privacy/privacy.aspx>.

Further details on how your information is processed and how to find out when it will be disposed of can be found at <https://www.nottingham.ac.uk/utilities/privacy/privacy-information-for-research-participants.aspx>.
