The journal retracts the article “The Relationship between CEO Psychological Biases, Corporate Governance and Corporate Social Responsibility” (Salhi 2021), cited above.

Following publication, concerns were raised regarding overlaps with a manuscript that was previously submitted to another journal under a different authorship.

An investigation was conducted which confirmed that significant overlaps existed with the previous manuscript. The overlaps include the Introduction, Theoretical Framework, Research Methodology, and Result Discussion sections.

The *JRFM* Editorial Office has taken the decision to retract the article (Salhi 2021). We apologize to the readers of *JRFM* and to the authors of the previous work.

This retraction was approved by the Editor in Chief of the *Journal of Risk and Financial Management*.

The author agreed with the retraction.
