Received: 27 February 2019; Accepted: 17 April 2019; Published: 15 May 2019

The authors wish to make the following corrections to this paper [1] due to an accidental mistake when uploading the last manuscript:

On page 6, Equation (17) should be changed from:

$$\frac{d\delta}{dt} = \frac{d\theta_c}{dt} - \frac{d\theta_p}{dt} = \frac{\left| u'^{\alpha\beta}_{cs} \right| \sin \theta_{us}}{\left| \psi'^{\alpha\beta}_{cs} \right|} - \left[ \omega_p - \left( p_p + p_c \right) \omega_r \right]$$
(17)

To the following correct version:

$$u_{cs}^{\alpha\beta} = \frac{2}{3} V_{bus} e^{j(\pi/3(n-1))}$$
(17)

The authors would like to apologize for any inconvenience caused to the readers due to this mistake and the subsequent changes.
