In the original publication [1], the funder "the science and technology project of State Grid Shanxi Electric Power company, "Research on Key Technologies of New Grid Planning Considering the Cost Transmission Chain of New Energy absorption (52053323000Z)"" should be removed. The revised funding information is: This research received no external funding.

The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
