

## Erratum

# Erratum: Von-Wolff et al. Testing of Eluates from Construction Products for Potential Environmental Effects Due to the Behaviour of *Enchytraeus albidus*. *Materials* 2021, 14, 294

Marya Anne von Wolff and Dietmar Stephan \* 

Group of Building Materials and Construction Chemistry, Department of Civil Engineering, Technische Universität Berlin, Gustav-Meyer-Allee 25, 13B, 13555 Berlin, Germany; vonwolff@tu-berlin.de

\* Correspondence: stephan@tu-berlin.de

In the original version of our article [1], the author Stephan Pflugmacher was included as an author, described as having made contributions in conceptualization, data curation, review and editing. The author Stephan Pflugmacher did not wish to be listed as co-author as his contribution was too small and therefore; we here correct the authors list and contributions, withdrawing the name of the author Stephan Pflugmacher.

Corrected authors list of this publication: Marya Anne von Wolff and Dietmar Stephan.

The authors apologize for any inconvenience caused and state that the scientific conclusions are unaffected.

**Publisher's Note:** MDPI stays neutral with regard to jurisdictional claims in published maps and institutional affiliations.

**Author Contributions:** The author contributions have been altered to recognize the individual contributions more appropriately. Corrected author contributions: Conceptualization, D.S.; methodology, M.A.v.W.; formal analysis, M.A.v.W.; investigation, M.A.v.W.; resources, D.S.; data curation, M.A.v.W. and D.S.; writing—original draft preparation, M.A.v.W.; writing—review and editing, M.A.v.W. and D.S.; supervision, D.S.; project administration, D.S.; funding acquisition, D.S. Both authors have read and agreed to the published version of the manuscript.

**Funding:** This research was funded by “Forschungsinitiative Zukunft Bau des Bundesinstitutes für Bau-, Stadt- und Raumforschung”, grant number SWD-10.08.18.7-17.49.

**Institutional Review Board Statement:** Not applicable.

**Informed Consent Statement:** Not applicable.

**Data Availability Statement:** Data availability within the article.

**Conflicts of Interest:** The authors declare no conflict of interest.
