The authors wish to make the following correction to their paper [1]. On page 9, the Acknowledgement Section should be corrected. The following sentence should be removed:

“The authors are grateful to the PEFC Collaboration Fund for opportunity to carry out pilot study in Finland; we would also like to thank PEFC Finland and, personally, Auvo Kaivola, who provided constructive comments and suggestions for the improvement of this article.”

The authors would like to apologize for any inconvenience caused to the readers by these changes. The manuscript will be updated and the original will remain available on the article webpage.
