

Manders' overlap coefficient

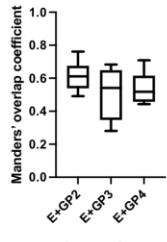

Transfection with pGP2/GP3/GP4

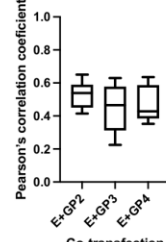

Pearson's correlation coefficient

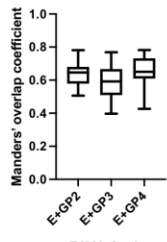

Transfection with pGP2/GP3/GP4

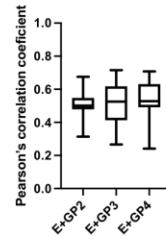

Co-transfection
E and GP2/GP3/GP4

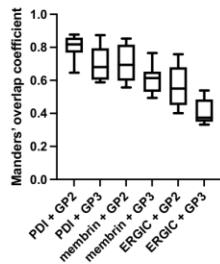

Co-transfection
E and GP2/GP3/GP4

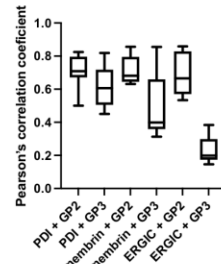

EAV infection
+
GP2/GP3/GP4 transfection

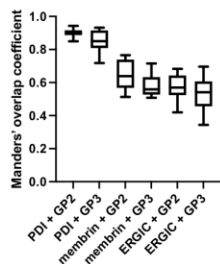

EAV infection
+
GP2/GP3/GP4 transfection

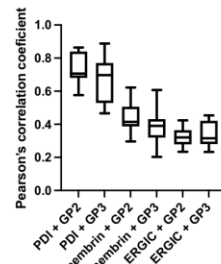

Transfection with pGP2/GP3/GP4

Transfection with pGP2/GP3/GP4

Transfection with plasmid containing
one gene only GP2 or GP3

Transfection with plasmid containing
one gene only GP2 or GP3

Figure S2: Comparison of the co-localization graphs of Manders' overlap coefficients and Pearson's correlation coefficients.
