The authors wish to make the following corrections to their paper [1].

The values Log  $K_{\text{octanol/water}}$  of thymol and carvacrol in Table 1 (column 2, line 6 and line 3 from the bottom, respectively) are incorrect. With the correct values, the equation in Figure 4 (page 81) is also incorrect. The details of the corrections are described below.

1. Page 80: The correct values for the Log  $K_{\text{octanol/water}}$  of thymol and carvacrol [2] in Table 1 are 3.30 and 3.49, respectively.
2. Page 81: The correct equation and  $R^2$  in Figure 4 are  $y = -0.982x + 0.371$  and  $R^2 = 0.965$ , respectively.

These changes do not affect the conclusion of the paper. The authors would like to apologize for any inconvenience this might have caused.
