

### *Ct-SLCO1B3*

### *Lt-SLCO1B3*

**Figure S1:** DNA sequence analysis

The light blue areas indicate sequence identity with the respective database sequence, red lines show localization of single base pair differences. DNA alignment was performed using the benchling.com web page (<https://benchling.com/>). The sequences used for the alignment are listed below.

*Ct-SLCO1B3* database sequence:
