

Objective of the research questionnaire survey: meaning of the health factors (allergies, asthma, etc.) and sustainability for end-users. Analysis of sustainability for indoor wall paints and coatings for the PhD thesis at TU Bergakademie Freiberg, Germany.

Location:

Date:

I. Assessment of construction products Please give your answer for the following questions with a Likert-scale from 1 to 6, where 1 = "highly important"; 2 = "very important"; 3 = "quite important"; 4 = "less important"; 5 = "not important"; 6 = "not specified" (shortly, "NS")	Please give your assessment/answer					
	1	2	3	4	5	6
1. How important for you is that construction products have eco-labels?	1	2	3	4	5	6
2. Where do you usually buy construction products?	<input type="radio"/> Online	<input type="radio"/> In special store		<input type="radio"/> In construction market		<input type="radio"/> NS
3. How important for you is that Material Safety Data Sheets (MSDS) are available with the paint products?	1	2	3	4	5	6
4. Do you read MSDSs online or ask for MSDSs at the paint counter?	<input type="radio"/> yes, _____			<input type="radio"/> no		
5. If not, may I ask you why?						
6. Are you familiar with the Life Cycle Assessment (LCA)?	<input type="radio"/> yes			<input type="radio"/> no		
7. Is making LCA accessible for end-users important for you?	<input type="radio"/> yes			<input type="radio"/> no		
8. If not, may I ask you why?						

II. Assessment of environmental and health issues with respect to indoor paints and coatings Please give your answer for the following questions with a Likert-scale from 1 to 6, where 1 = "highly important"; 2 = "very important"; 3 = "quite important"; 4 = "less important"; 5 = "not important"; 6 = "not specified" (shortly, "NS")	Please give your assessment/answer					
	1	2	3	4	5	6
9. Is it important to protect ground water?	1	2	3	4	5	6
10. How important for you is keeping the Indoor Air Quality standards?	1	2	3	4	5	6
11. How sensitive are you to odours of indoor paints?	1	2	3	4	5	6
12. Do you ask about environmental issues before buying a product?	<input type="radio"/> yes			<input type="radio"/> no		
13. If not, may I ask you why?						
14. Is Blue Angel eco-label on the paint packaging important for you?	<input type="radio"/> yes			<input type="radio"/> no		
15. If not, may I ask you why?						
16. Are you aware of evaporation of hazardous emissions through paints?	<input type="radio"/> yes			<input type="radio"/> no		
17. How important for you is using solvent-free paints?	1	2	3	4	5	6
18. How important for you is using indoor paints that are not harmful for respiratory tract diseases?	1	2	3	4	5	6

19. Have you or a member of your family ever had any complaints to the bad air quality caused through emissions of paints?	<input type="radio"/> yes	<input type="radio"/> no	<input type="radio"/> NS
--	---------------------------	--------------------------	--------------------------

III. Personal Information (optional)

Gender: <input type="radio"/> female <input type="radio"/> male <input type="radio"/> NS	Zip-code:
Age: <input type="radio"/> <20 <input type="radio"/> 20-35 <input type="radio"/> 36-50 <input type="radio"/> 51-65 <input type="radio"/> >65	Children: <input type="radio"/> yes <input type="radio"/> no
Level of education: <input type="radio"/> Graduate degree <input type="radio"/> High school degree <input type="radio"/> Professional education <input type="radio"/> University degree <input type="radio"/> NS	
Are you involved into work with construction products professionally? <input type="radio"/> yes <input type="radio"/> no
