The author would like to make the following corrections about the published paper [1]. The changes are as follows:

(1) Replacing the sentence in “Section 4.2.2. Daily Mobility Characterization”:

The graph shows that e-bike usage reaches a peak on Friday (approximately 6749 trips per day) and a trough on Tuesday (approximately 4480 trips per day).
with

The graph shows that e-bike usage reaches a peak on Friday (approximately 281 trips per day) and a trough on Tuesday (approximately 187 trips per day).

(2) The author would like to delete “Error bars” and the “Number of E-bike Usage” should be replaced by the average value, so we need to replace the original Figure 4:

Citation: Li, Y.; Dai, Z.; Zhu, L.; Liu, X.
