The authors would like to make the following corrections to the published paper [1]. The changes are as follows:

1. Since reference 43 has been retracted for some reason, the authors wish to replace it with a new reference.

   Replacing a reference in the citation list:

   43. Li, P.; Wang, Q.; Umair, M.; Shamshieva, N.; Zheng, Y. Three decades of wetland transformation in the middle and lower Yangtze River Basin: Classification, inundation dynamics, and ecological impacts. *Ecol. Indic.* **2025**, *177*, 113615. https://doi.org/10.1016/j.ecolind.2025.113615.

   with
