The authors would like to make the following corrections to the published paper [1]. The authors state that the same image was mistakenly inserted in Figures 8d and 9j. The changes are as follows.

The authors would like to replace Figure 8d; therefore, the original Figure 8

Figure 8. SEM images of the tensile fracture area of the representative specimens for 1st (a,b), 2nd (c,d) and 3rd (e,f) recycle course.
