The authors wish to make the following correction to the paper [1]: Figure 6 is incomplete and should be replaced by the one below:

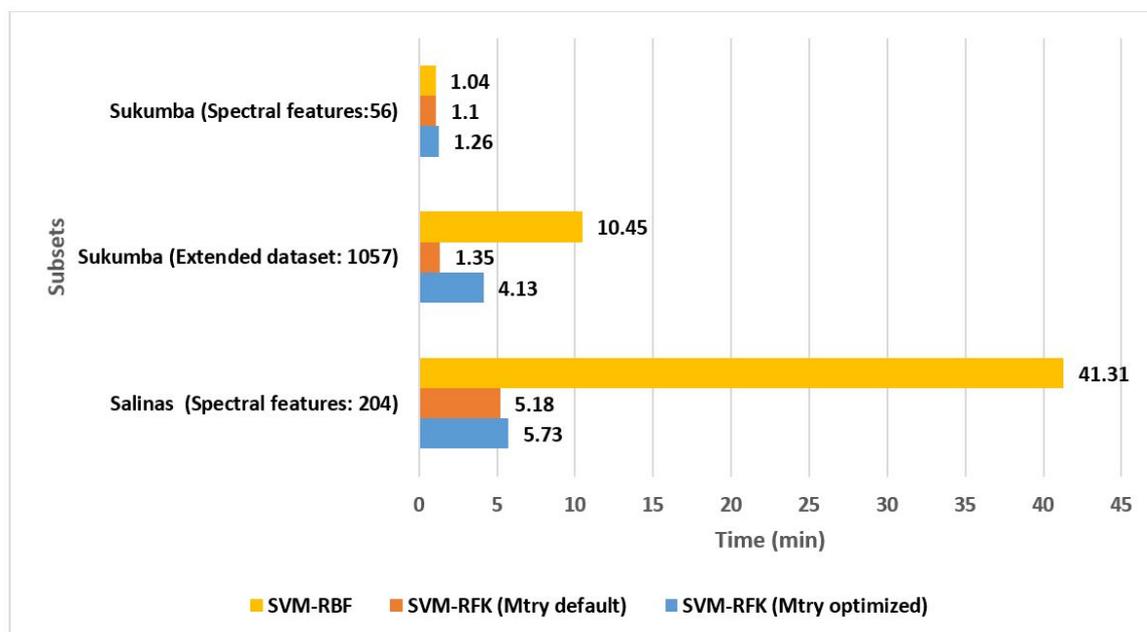

Figure 6. Classification time required by SVM classifiers.

This change does not affect the scientific results and discussion. We apologize for any inconvenience caused to the readers.

Conflicts of Interest: The authors declare no conflict of interest. The funders had no role in the design of the study; in the collection, analyses, or interpretation of data; in the writing of the manuscript, or in the decision to publish the results.
