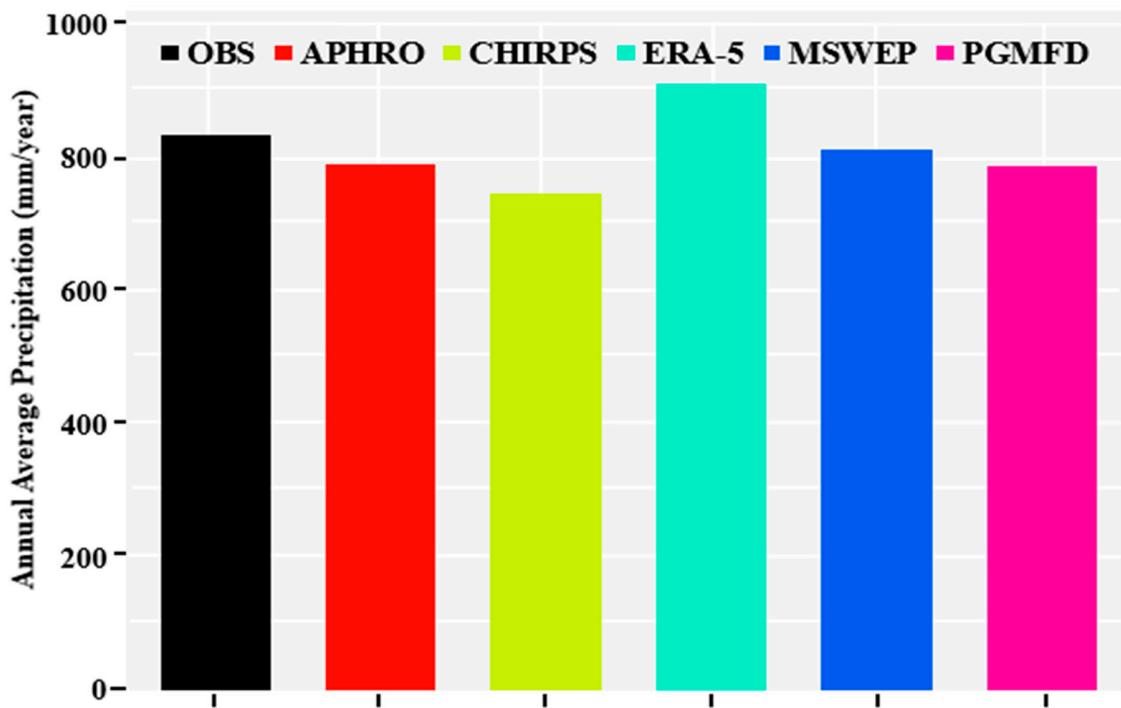

Figure S1. Annual average precipitation in JRB measured from five GPPs with reference gauges.

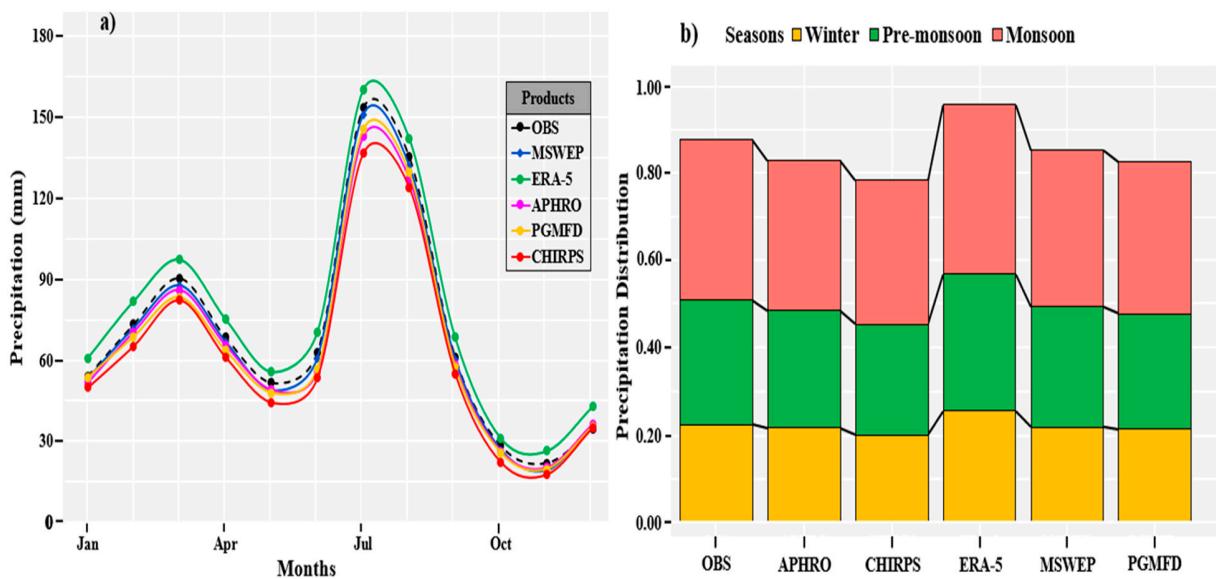

Figure S2. (a) Temporal precipitation distribution estimates derived from five GPPs and reference gauges at monthly scale. (b) Seasonal precipitation distribution derived from five GPPs and reference gauges in JRB during the entire study period.

Table S1. Geographical information of in-situ gauging stations used in the current study.

S.no	Stations	Latitude (dd)	Longitude (dd)	Elevation (m)
1	Mangla	33.15	73.69	335.00
2	Planderri	33.73	73.76	1690.91
3	Rawlakot	33.87	73.99	1944.82
