

Table S2: Table with reclassification scheme of original Web of Science categories. Individual tags from reviewed articles are separated by a forward slash.

Reclassified Web of Science Categories	Original Web of Science Categories
Ecology	Ecology
Environmental Sciences	Biodiversity Conservation, Ecology / Biodiversity Conservation, Ecology, Environmental Sciences / Biodiversity Conservation, Environmental Sciences / Ecology, Environmental Sciences / Ecology, Evolutionary Biology / Ecology, Geography, Physical / Ecology, Geography, Physical, Geosciences, Multidisciplinary / Environmental Sciences / Environmental Sciences, Meteorology and Atmospheric Sciences / Forestry / Geosciences, Multidisciplinary, Multidisciplinary Sciences / Multidisciplinary Sciences / Plant Sciences, Ecology / Plant Sciences, Ecology, Forestry
Environmental Sciences and Remote Sensing	Computer Science, Information Systems, Geography, Physical, Remote Sensing / Environmental Sciences, Geosciences, Multidisciplinary, Remote Sensing, Imaging Science and Photographic Technology / Environmental Sciences, Remote Sensing, Imaging Science and Photographic Technology / Geochemistry and Geophysics, Engineering, Electrical and Electronic, Remote Sensing, Imaging Science and Photographic Technology / Geography, Physical, Geosciences, Multidisciplinary, Remote Sensing, Imaging Science and Photographic Technology / Geography, Physical, Remote Sensing
Remote Sensing	Remote Sensing / Remote Sensing, Imaging Science and Photographic Technology
