

Characteristics of studies

Characteristics of excluded studies

Abdullah 2019

Reason for exclusion	Wrong study design
----------------------	--------------------

Anand 2016

Reason for exclusion	Wrong study design
----------------------	--------------------

Anjos 2013

Reason for exclusion	Wrong patient population
----------------------	--------------------------

Arnold 2013

Reason for exclusion	Wrong study design
----------------------	--------------------

Assareh 2017

Reason for exclusion	Dublet
----------------------	--------

Behdani 2013

Reason for exclusion	Dublet
----------------------	--------

Carucci 2017

Reason for exclusion	Wrong study design
----------------------	--------------------

Carucci 2019

Reason for exclusion	Wrong study design
----------------------	--------------------

Catala Lopez 2017

Reason for exclusion	Wrong study design
----------------------	--------------------

Chang 2017

Reason for exclusion	Wrong study design
----------------------	--------------------

Chang 2018

Reason for exclusion	Wrong study design
----------------------	--------------------

Chang 2019a

Reason for exclusion	Wrong study design
----------------------	--------------------

Cooper 2015

Reason for exclusion	Wrong patient population
----------------------	--------------------------

Cooper 2016

Reason for exclusion	Wrong patient population
----------------------	--------------------------

Dean 2014

Reason for exclusion	Wrong patient population
----------------------	--------------------------

Derbyshire 2017

Reason for exclusion	Wrong study design
----------------------	--------------------

Derbyshire 2017a

Reason for exclusion	Wrong study design
----------------------	--------------------

Fallah 2018

Reason for exclusion	Wrong patient population
----------------------	--------------------------

Fibert 2018

Reason for exclusion	Wrong study design
----------------------	--------------------

Foley 2013

Reason for exclusion	Wrong study design
----------------------	--------------------

Ghanizadeh 2015

Reason for exclusion	Wrong intervention
----------------------	--------------------

Goode 2018

Reason for exclusion	Wrong study design
----------------------	--------------------

Gow 2014

Reason for exclusion	Wrong study design
----------------------	--------------------

Gow 2015

Reason for exclusion	Wrong study design
----------------------	--------------------

Hawkey 2014

Reason for exclusion	Wrong study design
----------------------	--------------------

Johnson 2017

Reason for exclusion	Wrong patient population
----------------------	--------------------------

Kean 2017a

Reason for exclusion	Wrong patient population
----------------------	--------------------------

Kotting 2013

Reason for exclusion	Wrong intervention
----------------------	--------------------

Lange 2015

Reason for exclusion	Wrong study design
----------------------	--------------------

LimAshworth 2013

Reason for exclusion	Wrong study design
----------------------	--------------------

Liu 2015

Reason for exclusion	Wrong indication
----------------------	------------------

McNamara 2017

Reason for exclusion	Wrong study design
----------------------	--------------------

Moghaddam 2017

Reason for exclusion	Wrong outcomes
----------------------	----------------

NLimAshworth 2013

Reason for exclusion	Wrong study design
----------------------	--------------------

Pelsser 2017

Reason for exclusion	Wrong study design
----------------------	--------------------

Pelsser 2017a

Reason for exclusion	Wrong study design
----------------------	--------------------

Puri 2014

Reason for exclusion	Wrong study design
----------------------	--------------------

Ramakrishnan 2016

Reason for exclusion	Wrong patient population
----------------------	--------------------------

Reading 2013

Reason for exclusion	Wrong study design
----------------------	--------------------

Rosi 2020

Reason for exclusion	Wrong study design
----------------------	--------------------

Sanna 2019

Reason for exclusion	Wrong study design
----------------------	--------------------

Smuts 2013

Reason for exclusion	Wrong study design
----------------------	--------------------

Stevenson 2014

Reason for exclusion	Dublet
----------------------	--------

Tan 2014

Reason for exclusion	Wrong study design
----------------------	--------------------

vanderWurff 2017

Reason for exclusion	Wrong study design
----------------------	--------------------

Wilens 2017

Reason for exclusion	Wrong study design
----------------------	--------------------

Wu 2015

Reason for exclusion	Wrong outcomes
----------------------	----------------
