Received: 1 September 2017; Accepted: 4 September 2017; Published: 5 September 2017

The authors requested the following corrections to their paper [1].

In the text of Section 3, “126.9 g/atom” was changed to “126.9 atomic mass unit (amu)”.

The authors apologize for any inconvenience caused to the readers by the change, stating it does not affect the scientific results. The original manuscript will be modified accordingly.

Conflicts of Interest: The authors declare no conflict of interest.
