

Supplementary Figure S1. Photomicrographs of high sTIL and low sTIL tumors. (A) A tumor with high sTIL. (B) A tumor with low sTIL. T, tumor. Scale bar, 100 μm . sTIL, stromal tumor-infiltrating lymphocytes.

Supplementary Figure S2. Kaplan-Meier plots of event-free survival in high sTIL patients based on RCB groups.
sTIL, stromal tumor-infiltrating lymphocytes. RCB, residual cancer burden.
