

Supporting Information
for
Synthesis of 3,4-dihydropyrimidin-2(1*H*)-one-phosphonates by
the microwave-assisted Biginelli reaction

Nóra Popovics-Tóth ¹, Ádám Tajti ¹, Evelyn Hümpfner ¹ and Erika Bálint ^{1,*}

Address:

¹Department of Organic Chemistry and Technology, Budapest University of Technology and Economics, 1521 Budapest, Hungary

Email:
