Acknowledgment to Reviewers of *Cells* in 2021

Cells Editorial Office

MDPI AG, St. Alban-Anlage 66, 4052 Basel, Switzerland

Rigorous peer-reviews are the basis of high-quality academic publishing. Due to the great efforts of our reviewers, *Cells* was able to maintain its standards for the high quality of its published papers. Thanks to the contribution of our reviewers, in 2021, the median time to first decision was 16 days and the median time to publication was 40 days. Among the reviewers who reviewed for *Cells* in 2021, the following five have been selected to receive the “*Cells* 2021 Outstanding Reviewer Awards” for the timeliness and quality of their review reports in 2021:

Bonam, Srinivasa Reddy from Université de Paris, Paris, France
Homma, Takujiro from Yamagata University, Yamagata, Japan
Hwang, In Koo from Seoul National University, Seoul, Korea
Kobeissy, Firas from University of Florida, Gainesville, FL, USA
Rebelo, Sandra from University of Aveiro, Aveiro, Portugal

The editors also express their gratitude and recognition to the following reviewers for their precious time and dedication, regardless of whether the papers they reviewed were finally published:
