

Supplementary Figure S1. Effect of SNP rs9939609 (*FTO*) on being overweight or obese amongst Brazilian children and adolescents with the TA genotype vs those with the TT genotype [1–4].

Supplementary Figure S2. Effect of SNP rs9939609 (*FTO*) on being overweight or obese amongst Brazilian children and adolescents with the AA genotype vs those with TA or TT genotypes [1–4].

Supplementary Figure S3. Effect of SNP rs9939609 (*FTO*) on BMI in kg/m^2 amongst Brazilian adults with the AA genotype vs those with the TT genotype [4–7].
