

Supplementary Figure 1.

Supplementary Figure 1. Expression of *bFGF* in B-CLL patients. A) The *bFGF* expression was evaluated by Q-PCR in function of the rs1449683 *bFGF* genotype in 17 patients (T/- n=5, C/C n=12). B) The *bFGF* expression was evaluated in IgVH non-mutated patients (NM, n=6) and IgVH mutated patients (M, n=11).
