Field pictures demonstrating examples of urban landscape characteristics.

**Figure S1.** Example of a vehicle zone (all photos were taken during the field survey).

**Figure S2.** Examples of illegal parking on lawns and playgrounds.

**Figure S3.** Examples of disturbed cover from illegal parking (left) and damaged driveway (right).

**Figure S4.** Example of low grass projective cover.

**Figure S5.** Examples of segments with negative grades of cleaning (left) and technical condition (right).

**Figure S6.** Example of delayed restoration after earthwork.
