Error in Figures

In the original publication [1], there was a mistake in Figures 4–7 as published. In these four Figures, the legend is missing. The corrected Figures 4–7 appear below. The authors apologize for any inconvenience caused and state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.

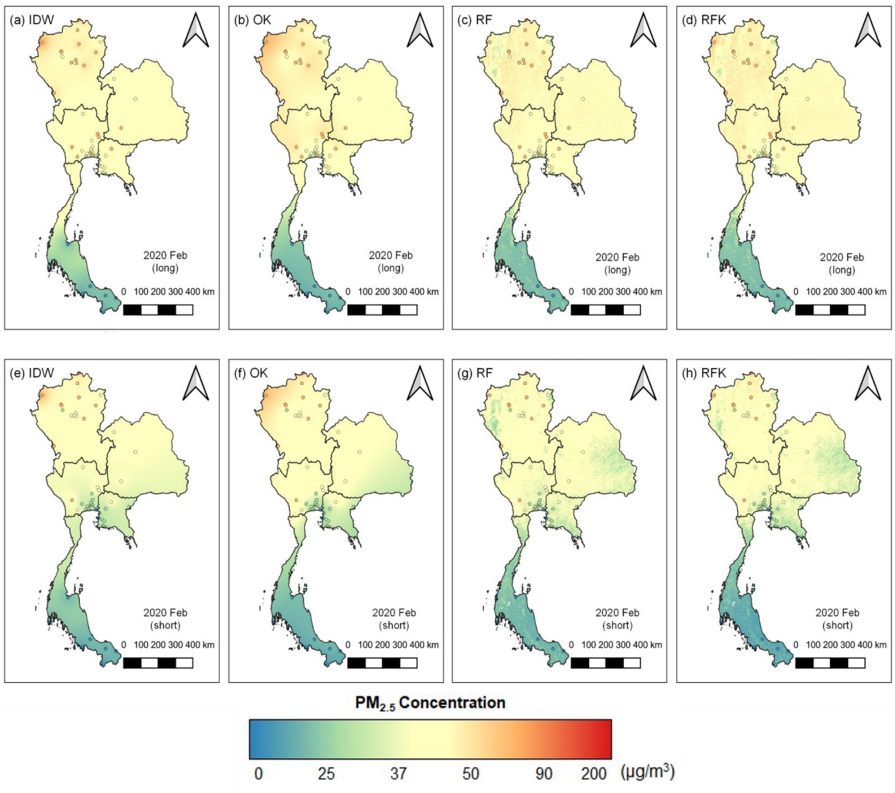

Figure 4. Interpolated $PM_{2.5}$ concentrations from different spatial interpolation methods (**a**–**d**) from 1–29 February and (**e**–**h**) from 8–18 February.
