In the original publication [1], Reference [25] was not cited in Figure 13. The citation has now been added to the caption of Figure 13 and should read:

Figure 13. The failure zone for the 0.35 m cavity stage. Adapted with permission from Ref. [25]. Copyright 2019 American Society of Civil Engineers.

The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
