

Expression of Concern

# Expression of Concern: Lin et al. A Perception Study for Unit Charts in the Context of Large-Magnitude Data Representation. *Symmetry* 2023, 15, 219

Symmetry Editorial Office

MDPI, St. Alban-Anlage 66, 4052 Basel, Switzerland; [symmetry@mdpi.com](mailto:symmetry@mdpi.com)

With this notice, the *Symmetry* Editorial Office states its awareness of concerns regarding the availability and validity of the data as well as the overall findings of the published manuscript [1]. The authors of this publication have been contacted for further clarification on this matter. The journal Editor in Chief and Editorial Office are coordinating an investigation in accordance with MDPI procedures and the Committee on Publication Ethics (COPE) guidelines. An update will be available once the investigation is complete.
