Peer review is an essential part of the publication process and is important in ensuring that *Buildings* maintains high-quality standards for its published papers. The *Buildings* Editorial Board and Editorial Team would like to gratefully acknowledge the time and energy dedicated by reviewers to checking the manuscripts submitted to the journal.

The following referees have been selected to receive the “2021 *Buildings* Outstanding Reviewer Awards”, based on the quantity, timeliness, and quality of their reviews in *Buildings*. The winners will each receive CHF 500, the privilege of publishing a paper, free of charge, in *Buildings* in 2022, and a certificate in recognition of their outstanding work.

Prof. Dr. Francesco Fiorito, Associate Professor; Department of Civil, Environmental, Land, Building Engineering and Chemistry, Polytechnic University of Bari, Bari, Italy.

Dr. Paul G. O'Brien, Assistant Professor, Department of Mechanical Engineering, Lassonde School of Engineering, York University, Toronto, ON, Canada.
